

Dear Parent or Guardian,

On Nov. \_\_\_\_\_, 20\_\_\_\_, the Bowling Green Area Chamber of Commerce will present the 20\_\_\_\_ SCK LAUNCH Experience. Approximately 3,000 eighth-graders will attend this interactive career expo. Students will be transported from their school to the event and will explore many careers available in our region.

SCK LAUNCH Experience is a great opportunity for your student to take the first steps in planning for his or her future. Counselors and teachers from your school will escort the students through the Experience to ensure they have a truly educational experience.

Career sectors the students will visit are: Construction, Healthcare, Hospitality, Manufacturing, Professional Services, Public Services and Transportation, Distribution & Logistics. These sectors are expected to experience high growth over the next 10 years, creating a high demand for skilled workers in those fields.

We are confident that this will be a rewarding and motivating experience for all students. Please fill out the below form and return to your school.
