

Company	Sector	What they do/make
	Manufacturing	<p>BlueCotton was an accident. In 1991, two college grads were hard on their luck and trying to find a job. A business venture gone bad left them with close to 1000 t-shirts and a huge credit card bill to boot. To alleviate their cramped apartment of the surplus t-shirts and pay bills, they started selling t-shirts to fraternities and sororities at Western Kentucky University. One thing led to another, and this happy accident eventually became the real deal! We serve customers all over the world!!</p>
